Purpose of the proposal and its anticipated effects, including any changes in existing rules: The purpose of this proposal is to use the expedited rule making process to repeal the section of rule for Dairy Technician License.

Reasons supporting proposal: The Department, under its rule review process, has reviewed this rule and determined that RCW 15.36.081 contains provisions for the Dairy Technician license including when the license expires. WAC 16-124-011 contains only a provision for when a dairy technician license expires. Therefore, this section of rule is no longer needed.

Statutory authority for adoption: RCW 15.36 and 34.05

Statute being implemented: RCW 15.36
